# HAPPY *New Year* FAMILY

A brand-new chapter has officially touched down, and we couldn't be more hyped to share the journey of 2026 with the most loyal community in Ghana.

As the holiday dust settles and we gear up for the year ahead, our first order of business is to say a massive thank you. 2025 was a year of incredible growth, record-breaking orders, and countless shared memories across our 90+ branches. However you patronize us, we don't take that lightly.

As we step into January, which also marks our 6th Anniversary month, we want to reaffirm our vow to you. Our focus for 2026 is anchored in two words: **Quality** and **Consistency**. In a world that's constantly changing, we want the Pizzaman Chickenman taste to be the one thing you can always rely on. From the precision of our pizza crusts to the perfect spice on our signature wings, we are refining our processes to ensure that every single meal, no matter which branch it comes from or what time you order, is served with the standard of excellence you've come to expect.

We've spent the last five years building this community, and we're spending the next year (and beyond!) perfecting it for you. Thank you for making us a part of your daily lives. Let's make 2026 our tastiest, most momentous year yet!

**Stay Bold, Stay Hungry.**

# ***Cheers to 6 Years: A Milestone of Flavor and Growth!***

Can you believe it? Six whole years of good food and the best pizza in town! This January, we are celebrating the 6th Anniversary of Pizzaman Chickenman.

It feels like just yesterday we opened our very first branch with a simple dream: to give Ghana the quality fast food it deserves. Today, thanks to your unwavering support, that dream has grown into a nationwide movement with 90+ branches and counting. From Accra to Kumasi, and all the way to Bolgatanga and beyond, we have shared millions of slices and even more smiles.

This journey hasn't always been easy, but it has certainly been momentous. Our growth is a direct result of two things: the relentless resilience of our staff—the chefs, riders, and managers who work through the rush—and the limitless loyalty of you, our customers. You stood by us through every new product launch, every branch activation, and every regional expansion.

As we blow out the candles this year, we are looking forward to a future that is even bigger and better. This anniversary is as much yours as it is ours. Keep a close eye on our social media pages and the Chris B App all through January, we have some special anniversary surprises lined up to say thank you for six incredible years!

**Here's to many more years of great food and even better vibes!**

# Introducing the Spicy Sweet Potatoes!

We know our customers are always craving variety, and we're here to deliver. This January, we're taking our famous sweet potatoes and giving them a serious upgrade.

Introducing our Spicy Sweet Potatoes, the perfect blend of that natural, healthy sweetness you love, kicked up a notch with our specially formulated Suya Spice. It's the ultimate "sweet and spicy" mashup designed for those who want a bit of a thrill with every bite. It's the same nutritious potato base you trust, but reinvented for the spice lovers who want their "rice break" to come with a kick.

Whether you're looking for a hearty meal or a quick snack to keep the vibes going, we've got you covered:

- **The Potato Bucket:** A generous portion of spicy sweet potatoes paired with 8 pieces of our signature wings for GHS 130.
- **The Playman Pack:** The ideal on-the-go fuel for just GHS 79.

It's fresh, it's healthy, and it's got that signature Pizzaman fire. Say goodbye to boring sides and hello to your new favorite obsession.

# Guard Your Wallet: Stay Scam-Free!

The holiday energy is still high, but unfortunately, scammers are also trying to work overtime. Our top priority is making sure our family—that's you!—stays protected while enjoying the best deals in town. We don't want anything to take the edge off your January mood.

Lately, we've seen a few "bad actors" popping up on social media or using unofficial phone numbers to trick people. To keep your money safe and your appetite satisfied, always stick to the Official Pizzaman Chickenman Channels:

- **The Chris B App:** Your fastest and most secure way to order.
- **The Web App:** Safe, easy, and direct. (<https://chrisb.app>)
- **The Official Call Centre:** The only number you should trust for phone orders. ([030 275 3430](tel:0302753430))

**The Golden Rule:** Always remember—No food, no payment. We will never ask you to send money to a random personal mobile money account before your order is properly secured through our official platforms. If a deal looks suspicious or the payment method feels "off," it's likely a trap.

Let's keep the vibes high and the scammers out. Stay alert, stay safe, and let's keep eating good!

# ***Colour Your World: Unleash the Little Geniuses!***

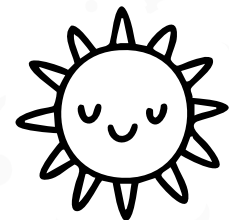

At Pizzaman Chickenman, we believe that great food is an experience for the whole family, especially for our youngest customers. We know that waiting for your favorite pizza or chicken can feel like forever when you're a kid, which is why we created the Colour Your World initiative.

We're turning our branches into creative hubs for our "Little Guymen and Guywomen." Next time you walk into any Pizzaman Chickenman branch to place an order, your children don't just have to wait, they get to create! We provide specially designed activity sheets filled with:

- **Vibrant Colouring Challenges**
- **Mind-Bending Mazes**
- **Fun Puzzles**

It's their chance to express their imagination and show us how they see the world. But it doesn't stop at just having fun; by showing off their artistic skills, they stand a chance to win amazing prizes! We love seeing the vibrant masterpieces our young customers come up with while their meals are being prepared. It's all about making every visit a winning moment for the kids.

Parents, next time you're craving a treat, bring the little ones along and let them Colour Their World. Available at all branches nationwide!
